**Become a member of the The New York State
Courts Pipes & Drums**

The New York State Courts Pipes and Drums was formed by Court Officers from the New York City Courts in 1976. The Band is comprised of Court employees from multiple Judicial Districts who continue to proudly perform at events and ceremonies throughout the State.

No musical background is needed, we have the finest instructors for bagpipes and drums. Classes start in September.

Consider being a part of a long standing tradition. Contact Rob O'Connor at 845-661-9025 for more information.
